Express.js
React.js

Interpersonal Skills

- Being able to understand and empathize with others
- Building lasting relationships
- Team player with a talent for motivating others
- Active listening
- Communication
- Relationship building

Summary

Driven by a love for video games and technology, I've honed my skills in Javascript, Web Dev, and SDLC. As someone who spent 10+ years in a different industry, I'm eager to enter the Game Industry team where I can leverage my expertise and passion to make an impact.

Experience

Project Friendly Fire, University of Toronto

MARCH 2023

Project Friendly Fire is a website designed around the popular game, Valorant. The site serves as a hub for fans to share and discuss their favorite agents, weapons, icons, and maps from the game. In addition, users have the ability to create custom profiles and share their gaming bio alongside their chosen game icons.

- Authored complete JavaScript code for login, profile creation, and logout functionality.
- Developed proficiency in MySQL database creation and management.
- Demonstrated strong time management skills throughout all my responsibilities.

Landscape Foreman and Operator, Urban Oasis Landscaping, Maple Ridge B.C.

JANUARY 2022 – JANUARY 2023

- Led and instructed a small team on multiple job sites, providing insight and support in all aspects of the job.
- Acted as the main machine operator on site, ensuring efficient and effective operations.
- Maintained team focus and worked diligently to meet deadlines.
- Managed daily timekeeping and payroll duties for my crew.

Landscape Construction Foreman, Horizon Landscape Contractors, Langley B.C.

APRIL 2020 – DECEMBER 2021

- Led work crews ranging from 5 to 10 individuals.
- Maintained crew focus and ensured timely task completion.
- Managed on-site orders and deliveries.
- Communicated effectively with both crew and various trades on site.
- Thrived in high-stress situations.

Education

Full-Stack Developer Diploma, University of Toronto

MARCH 2023

Landscape Design and Horticulture Red Seal, KPU, Langley B.C.
